LCPD MAY 2017 CRIME PREVENTION REPORT

INTRODUCTION

WHAT IS A UNIFORM CRIME REPORT?

The FBI's Uniform Crime Reporting Program was implemented in 1930 by the International Association of Chiefs of Police to ensure uniformity among law enforcement agencies when reporting crimes to the Federal Government. Statistics are gathered from participating states on eight index crimes.

UCR CRIME CATEGORIES ARE:

- MURDER
- RAPE
- ROBBERY
- AGGRAVATED ASSAULT
- BURGLARY
- THEFT
- AUTO THEFT
- ARSON

With the exception of murder, attempted crimes are included in crime totals. Attempted murder is counted as an Aggravated Assault.

LCPD COMMENTARY:

The safety of you, your family, your neighbors, and neighborhood is very important. Make a point to remove all valuables from vehicles; I can't stress enough how important it is for everyone to lock your doors.

Remember crime has no address.

LCPD is looking forward to serving the community throughout 2017. The unit is comprised of devoted experienced law enforcement officers who are dedicated to making Lakeview the safest community in New Orleans; however, we need your assistance to achieve this goal.

Auto burglary is a serious problem in Orleans and surrounding parishes. These incidents may seem minor to some residents; however, unsecured vehicles attract hardened criminals to your community and property crimes can quickly escalate into crimes of violence.

Help LCPD make Lakeview a safer community. A simple task such as locking doors will help reduce crime in the 70124.

Any crime is a crime too many.

LCPD Officers are committed to reducing crime in Lakeview
